

## **GENERAL STATEMENT OF HEALTH & SAFETY POLICY**

Generation 4 Construction Ltd is a professional and safety conscious organisation which values the effective management of health, safety and welfare throughout all stages of a project, with the main objective to minimise harm to persons and property by adopting a proactive approach to effective risk and safety management.

Management staff are assigned the responsibility of implementing the policy throughout the organization and will ensure health and safety is the number one priority at all times.

Generation 4 Construction Ltd will fully comply with the duties placed upon it within the requirements of Statutory Legislation, whilst at all times complying with, as a matter of best practice, the requirements and duties set out within Approved Codes of Practice and Guidance as issued by the Health and Safety Executive.

Generation 4 Construction Ltd has a moral and legal obligation to safeguard, so far as is reasonably practicable, the health, safety and welfare of their employees and anyone who may be affected by the actions of the Company, its employees, or as a result of Generation 4 Construction Ltd activities. Generation 4 Construction Ltd fully accepts their obligations and responsibilities,

All employees and sub-contractors are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own works, so far as is reasonably practicable, are carried out without risk to themselves, others or the environment. This includes co-operating with management on any health, safety or environment related matter.

Generation 4 Construction Ltd will take all practical steps to ensure that potential hazards and risks are identified and that suitable and effective preventative and control measures are implemented. The correct safety equipment and personal protective equipment will be provided to all employees. Furthermore the necessary financial resources will be made available by the company in order for Generation 4 Construction Ltd to comply with its statutory duties and requirements of this policy.

The Managing Director has overall responsibility for all Health, Safety, Welfare and Environmental matters. The operation of this policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to the company's activities.
